## Extremely good at

- Legal research
- Civil procedure
- Discovery
- All things trial prep related
- Interpretation and application of the UNCITRAL arbitration rules in Australia

## Highlights

- *Lambert Leasing v QBE Insurance* - significant Supreme Court aircraft insurance litigation
- Acting in litigation team on major infrastructure dispute relating to professional negligence of traffic forecasters in failed tollroad
- Assisting with outsourced in-house counsel role for multinational client

## Claim to fame

I (briefly) met Emma Watson at the Dragon School, Oxford when I was 8 years old

## Useless niche expertise

Australian Innovation and Investment visa subclass 188/888 – significant (\$5million) and premium (\$15million) investor streams

## Food Phobia

Novinophobia!
