Email: daphnea@marquelawyers.com.au

What she does

- Commercial and Corporate Advisory
- Property Sales and Acquisitions
- Leasing

Big cases

- Advising Booz & Company in relation to its day-to-day operational issues, including its contracts with government clients in Australia and Singapore
- Advising numerous start-up businesses in relation to their obligations under the Spam Act, the Privacy Act and the Trade Practices Act
- Advising an online customer loyalty business in relation to the protection of its trade marks and trade practices risks
- Drafting and advising clients in relation to a wide range of contracts, including contracts for service, supplier agreements, novation deeds and confidentiality agreements
- Drafting and negotiating sale contracts and commercial/retail leases

Other impressive things

- Bachelor of Business, Bachelor of Laws (Honours) (University of Technology, Sydney)
- Publication of research paper as compulsory reading material for the UTS post-graduate Intellectual Property course

Claim to fame

My Intellectual Property thesis on well known trade marks came top 3 in the world. Almost as exciting as winning Australian Idol

Useless niche expertise

Well known trade marks
