## Extremely good at

- General commercial – reviewing, drafting and assisting on a range of commercial contracts, including: master goods and services agreements, NDAs, terms and conditions, tenders, trade promotions, referral agreements
- Legal research – including commercial, competition, consumer and charities law

## Highlights

- General commercial – reviewing, drafting and assisting on a range of commercial contracts, including: master goods and services agreements, NDAs, terms and conditions, tenders, trade promotions, referral agreements
- Legal research – including commercial, competition, consumer and charities law

## Claim to fame

Have been a competitive cheerleader for 3 years (though have no flexibility)

## Useless niche expertise

Criminological theories surrounding public transport

## Food Phobia

Coriander
