EXTREMELY GOOD AT

- General Commercial: drafting, reviewing, negotiating and advising on various commercial contracts, including master services agreements, standard terms and conditions, manufacturing, NDAs and SaaS agreements
- Not-for-profit law: assisting not-for-profit clients to establish charities, assess their charitable purposes and apply for ACNC registration, applying for DGR endorsement and advising on various compliance issues such as the fundraising licensing regimes

HIGHLIGHTS

- Moving from working in the charity sector and experiencing first-hand the challenges that charities face, to advising charities how to overcome those issues
- Moving from living in Perth to relocating to a real city to work in law

FOOD PHOBIA

I am allergic to avocados, but I am mostly terrified of people's reactions when they find out I 'don't like avocado'
