Extremely good at

- Mergers and acquisitions (mostly private), anything from due diligence through to post-completion integration.
- Fundraising, including project managing and advising on traditional capital raises as well as advising on alternative forms of funding whether debt or equity (or something in between).
- All things company structures, restructures and destructures (okay that's not a word, but I can help with divestments and deregistrations).
- General corporate governance and ASIC and ASX compliance.

Highlights

- Advising the shareholders of Custom Fluid Power Pty Ltd on the 100% share sale to Sun Hydraulics.
- Advising and project managing Thales Australia's sale of its testing and calibration business to Keysight Technologies.
- Advising British digital media company Jaywing Plc on their roll up of Australian digital media agencies.
- Assisting with the sale of the majority shareholders' shares in Ainsworth Gaming Technology to Novomatic.

Claim to fame

Winning best debut at the Marque retreat.
