 @marquelawyers

## Extremely good at

- Competition law - cartel conduct, exclusive dealing, misuse of market power, merger review
- Advertising clearance, including therapeutic goods and food advertising
- Australian Consumer Law compliance
- ACCC authorisations and investigations
- Defamation and pre-publication advice

## Highlights

- Dealing with the ACCC on air cargo cartels, food cartels, waste tender authorisations, computer manufacturer ACL compliance, e-commerce competition issues, merger clearance, and the rest.
- Providing ad clearance for a stable of 12 OTC medicines, 2 skincare products and infant and toddler formulas.
- Providing defamation and pre-publication advice for *New Matilda* and *Junkee*.
- Advising advertising media owners on agency transparency and other competition issues in light of the 2016 ANA/K2 Media Transparency report.
- *Evony v Everiss* – cross-border internet defamation case.
- *Seven Network v Adam Boland* – defended Seven’s attempt to obtain a book manuscript about its breakfast TV show Sunrise.
- *Occupy Sydney* appeal – test case about the implied freedom of political communication and the Occupy Sydney protests.

## Claim to fame

Contestant on Letters and Numbers (SBS TV game show)

## Useless niche expertise

Traffic model validation criteria

## Food Phobia

Offal. It’s awful.
