

MARQUE LAWYERS APPOINTS NEW PARTNER

Marque Lawyers now has 8 partners, with the appointment of Justin Cudmore to the partnership. Justin, previously a partner with Canberra firm Meyer Vandenberg, has been working with Marque for the past year as a senior consultant. Justin specialises in commercial property and general commercial law and manages a growing commercial and retail leasing portfolio for the firm.

Marque Managing Partner Michael Bradley commented “Justin is fabulous. Enough said.”

Justin replied that, although the partners have persisted in referring to him by a succession of unflattering nicknames, he has never felt so at home in a workplace and he will be naming his next cat Marque.
