Extremely good at

- Mergers and acquisitions (public and private)
- Capital raising processes
- General corporate and commercial advice
- Incorporated and unincorporated joint venture arrangements
- Corporate governance for companies and corporate bodies, including ASX listed companies and emerging corporate structures

Highlights

- Advising Ainsworth Game Technology Limited on the 2018 53% sale by its founding shareholder Len Ainsworth to Austrian gaming company Novomatic by way of a section 611 item 7 shareholder approval
- Every time we help one of our start up clients close out a capital raise to help their business forward
- Advising the sellers on the 2013 sale of the Dodo ISP business to M2 Group, including acting for listed telecommunications company Eftel Limited in relation to the takeover offer from M2
- Part of the team that brought Bega Cheese Limited to listing on the ASX and its subsequent acquisition of 100% of Tatura Milk Industries Limited by way of scheme of arrangement
- Working on Commonwealth Bank of Australia's acquisition of Bankwest, including a 6-month stint inhouse with CBA

Claim to fame

Patience from the band The Grates once held my hand; I was in the front row at their gig at the Annandale and I've been in love with her ever since...
