 @marquelawyers

Extremely good at

- All things intellectual property – enforcement (especially large disputes), licensing, protective corporate structuring, trade marks, copyright, patents, designs – all of it.
- Telecommunications, especially major disputes
- The complete ambit of franchising. Franchise agreements, code compliance, disputes, franchisee association set up and advisory
- Anything litigious

Highlights

Commercial

- Pandora (music) - licensing and music rights advice for roll out in Australia
- Aesop – intellectual property protection, structuring and trade mark registrations internationally. Music licensing and fights with actors and musicians
- Hyundai Motors – structuring and parallel importation protection advice in respect of the Hyundai spare parts manufacturing arm
- Jones Lang LaSalle – IT software and hardware agreement for Jones Lang LaSalle’s Asia Pac operations
- UTS:Insearch - intellectual property protection coordination in Australia, Asia, Middle East, India and Europe.
- Geneva Laboratories – intellectual property structuring and brand protection (parallel importation) advice for the international owner, manufacturer and distributor of Bio Oil.
- Matter (Solar) – software services and licensing agreements and back to back hardware manufacturing and retail agreements for the roll-out of a smart energy system and solar installations
- Breakaway Consulting - micro chip software licensing agreement with Cochlear for hearing aid implants
- Mediatel Limited and Sound Advertising Limited – telecommunications contracts for premium rate telephone services provided in Australia and the UK utilising terminating hubs in Africa, Middle East and the Pacific

 @marquelawyers

- Waterco (Swimart), Mortgage Choice, Civic Video, Network Video, Deli France, MSP Photography – franchising drafting, defaults, recoveries and advisory compliance work for the Franchisors

Intellectual property disputes

- Dallas Buyers Club – acting for DBC in pursuit of illegally downloaded copies over Bit Torrent
- Bio-Oil – undertaking Anton Piller raids of wholesalers and chemists for stocking counterfeit Bio-Oil (skincare oil)
- Sony v Stevens – High Court test case on copyright and Sony’s computer game technology
- AVRA v Warner Bros – test case on copyright and DVD technology
- New Cap v CMGL – licensing and copyright dispute in relation to run off insurance systems
- AA Films v Kaos - conducting raids on pirated DVD retailers in Sydney and Brisbane
- Regular contributor to the “IPFrontline Magazine of Intellectual Property and Technology”

Telecommunications - cases

- Pivotal Satellite v Optus - anti-competitive conduct case in relation to international calling services and satellite networks
- Hitech, Worldlink and Armidale-2-Way v Optus – test cases on commission payments for Resellers
- Video on Demand v Transact – dispute in relation to the roll out of the fibre optic network in Canberra
- Mediatel Australia v Optus – suing Optus for its attempts to shut down an international calling service
- Gilsan v Optus – huge telecommunications case on payment systems, accounting mechanisms and number skimming

Claim to fame

Managed to say “*Game over Sony*” in an interview on the TODAY show... I’ve got the tape to prove it.

Useless niche expertise

Short stopping and long lining of international telecommunications traffic

Food Phobia

Mangoes, peaches, nectarines, passionfruit...too sour...
